MINISTER’S DETERMINATION CONDITIONS OF APPROVAL

Pursuant to Regulation 87-83 under the Clean Environment Act

July 19, 2012

File Number: 4561-3-1202

1. In accordance with section 6(6) of the Regulation, it has been determined that the undertaking may proceed following approval under all other applicable acts and regulations.
2. Commencement of this undertaking must occur within three years of the date of this Determination. Should commencement not be possible within this time period the undertaking must be registered under the *Environmental Impact Assessment Regulation* (87-83) – Clean Environment Act again, unless otherwise stated by the Minister of Environment and Local Government.
3. The proponent shall adhere to all obligations, commitments, monitoring and mitigation measures presented in the EIA registration document dated January 12, 2009, as well as all those identified in subsequent correspondence during the registration review. Additionally, the proponent shall submit a summary table detailing the status of each Condition listed in this Determination to the Manager of the Environmental Assessment Section of the Department of Environment and Local Government (DELG) every 6 months from the date of this Determination until such a time as all the Conditions have been met.
4. If it is suspected that remains of archaeological significance are found during construction, as per the Heritage Conservation Act, all activity shall be stopped near the find and the Resource Manager of the Archaeological Services Unit shall be contacted at (506) 453-3014.
5. An Environmental Management Plan must be submitted for review and must receive approval from the Manager of the Environmental Assessment Section of DELG prior to the start of any construction activities related to this project. For more information, please contact the Manager at (506) 444-5382.
6. The Environmental Risk Assessment (ERA), as outlined in Technical Supplement 3 of the Canada-wide Strategy for the Management of Municipal Wastewater Effluent, must be finalized before December 31, 2017, at which point it must be submitted to the Water and Wastewater Management Section, DELG. For more information, please contact the Manager of this Section at (506) 453-7945.
7. The proponent must ensure that all developers, contractors, and operators associated with the construction and operation of the project comply with the above requirements.
