#### Provincial Vehicle Tax - Bill of Sale

The purpose of this bulletin is to provide clarification pertaining to the bill of sale document that must be provided to determine the Provincial Vehicle Tax (PVT) assessed under the *Harmonized Sales Tax Act*.

The Harmonized Sales Tax Act imposes the tax at a rate of 15% on the fair value of a vehicle acquired in any transaction other than a purchase from a business registered to collect the Harmonized Sales Tax, where the fair value is the greatest of:

- 1. The purchase price detailed on a valid bill of sale;
- 2. The average wholesale value determined through the use of approved trade publications; and
- 3. The value established by the Provincial Tax Commissioner.

**Note**: Minimum fair values for the purpose of taxation are \$1,000 for motor vehicles, \$500 for motorcycles and \$500 for off-road vehicles.

The tax is collected by Service New Brunswick (SNB), on behalf of Finance and Treasury Board, when the vehicle is registered in the purchaser's name. For more information please refer to <u>Bulletin PVTB-101</u>; Determining the Fair Value of a Vehicle and / or <u>PVT Used Vehicles and Taxes</u>; Frequently Asked Questions.
