

## CARIBOU LAKE

### DESCRIPTION

- Location: Caribou Lake
- Stretch type: Daily Crown Reserve
- Lake size: approximately 27 hectares
- Lake bottom: gravel, mud, wood debris

**ACCESS** (see corresponding numbers on map)

**NOTE:** Access to certain stretches may require four-wheel drive vehicles.

- **Distances given are approximate and may not correspond exactly to the reading on your odometer**
- Look for yellow Crown Reserve signs along the road

**Travelling on Route 180 (Road to Resources)** (the road appears in yellow on the map.)

- From Bathurst, travel **West** on **Route 180**, and, 1 km before the commercial site: “Auberge Ressources Inn”, turn left into the Caribou Mine Road.

**OR**

- From Kedgwick, travel **East** on **Route 180**, and, 1 km after the commercial site: “Auberge Ressources Inn”, turn right into the Caribou Mine Road.

1. From the intersection of Route 180 and the Caribou Mine Road, travel 1 km and turn left.
2. Travel 4.1 km and turn right (at this point you are under a hydro line).
3. Travel 2.8 km to the camping site and boat landing.

### ACCOMMODATIONS

- No accommodations are available; bring your own camping equipment
- Rudimentary facilities are available: sheltered table, out-house, boat launching
- **Anglers must provide their own drinking water.**
- Firewood is not provided. It is recommended that only kiln dried firewood be brought to Crown Reserve to minimize the risk of spreading invasive insects and disease. If using firewood that has not been kiln dried, buy it locally (as close to your destination as possible), burn it all on site and do not bring any remaining firewood home.
- Garbage removal is the angler’s responsibility. Littering is strictly prohibited.

### REGULATIONS

- General angling regulations for New Brunswick are in effect. Consult the *Fish* book for additional information.
