ACCOMMODATIONS

- Camp: accommodates four (4) people
- Beds: two (2) double bunks with mattresses
- Amenities: wood stove, table, sink, benches, broom, mop and inside toilet facilities
- Water: camp has gravity fed water when conditions are favourable. **Anglers must provide their own drinking water.**
- Wired for generator use
- Incidentals: all equipment not listed above is responsibility of the angler
- Firewood is not provided. It is recommended that only kiln dried firewood be brought to Crown Reserve to minimize the risk of spreading invasive insects and disease. If using firewood that has not been kiln dried, buy it locally (as close to your destination as possible), burn it all on site and do not bring any remaining firewood home.
- Garbage removal is the angler's responsibility. Littering is strictly prohibited.

REGULATIONS
