ACCOMMODATIONS

- Camp: accommodates four (4) people
- Beds: two (2) bunks with mattresses
- Amenities: wood stove
- Water: no running water. **Anglers must provide their own drinking water.**
- Firewood is not provided. It is recommended that only kiln dried firewood be brought to Crown Reserve to minimize the risk of spreading invasive insects and disease. If using firewood that has not been kiln dried, buy it locally (as close to your destination as possible), burn it all on site and do not bring any remaining firewood home.
- Garbage removal is the angler's responsibility. Littering is strictly prohibited.

REGULATIONS

- For information on current salmon conservation measures such as live release requirements, visit the Department of Fisheries and Oceans Canada website.
- General angling regulations for New Brunswick are in effect. Consult the *Fish* book for additional information.
