GUIDE DE DIVULGATION

TRAITEMENTS

Ministres

La rémunération réelle totale, les indemnités et les frais relatifs aux ministres sont présentés sous le ministère dont ils étaient chargés au 31 décembre. Les traitements, indemnités et frais sont répétés sous l'Assemblée législative pour tous les ministres aux fins de transparence. Si un ministre a occupé plus d'un poste durant l'année, sa rémunération réelle totale est présentée sous le portefeuille qu'il détenait au 31 décembre, et les montants reçus dans tous les postes sont divulgués. Les montants sont aussi présentés sous le ministère original, qui renvoie au ministère sous lequel est communiqué le traitement du ministre.

Sous-ministres

Les sous-ministres sont présentés dans la fourchette de leur rémunération totale pour l'année et sous le ministère où ils

employed on December 31. If the deputy held more than one position throughout the year, their total salary is shown in the last department in which they were employed.

Employees

Employees are listed in the range in which their total salary for the year falls and in the department they were employed on December 31. This list includes all employees whose total actual salary exceeded \$60,000 during the calendar year. Employees paid below that threshold are not included. The salary reported includes regular earnings, overtime, personal service contracts and any other employee remuneration, except retirement allowance and severance payouts.

RETIREMENT ALLOWANCE / SEVERANCE PAY

This list shows employees who received retirement allowances or severance payments in excess of \$10,000 during the calendar year, in ranges commencing with \$10,000. Employees with payments below that threshold are not included.

The retirement allowance and severance pay listing includes payments made to employees in lieu of retirement allowance. The accumulation of retirement allowance credits for management and non-union employees with a continuous service date before April 1, 2011 was discontinued as of March 31, 2013. Eligible employees were provided with the option of a payout in lieu of retirement allowance or to defer their retirement allowance payment until retirement.

In cases in which severance is paid to an employee as per an agreement containing a confidentiality clause, the amount is not disclosed.

PAYMENTS FOR TRAVEL AND OTHER EMPLOYEE EXPENSES

This list includes payments totaling \$12,000 or more made to employees for travel and other employee expenses. Employees are shown with the actual expense amount paid (not in ranges). Amounts paid to employees below the \$12,000 threshold are not shown, with the exception of Ministers who are shown regardless of thresholds. For Ministers and Deputy Ministers who held more than one position throughout the year, their entire expense amount is shown in the last department held with disclosure indicating the amount incurred in the previous department. Car allowances paid are shown separately, regardless of the amount.

travaillaient au 31 décembre. Dans le cas où un sous-ministre a occupé plus d'un poste durant l'année, sa rémunération totale est présentée sous le ministère le plus récent.

Employés

Les employés sont présentés dans la fourchette de leur rémunération totale pour l'année et sous le ministère où ils travaillaient au 31 décembre. Cette liste comprend tous les employés dont la rémunération totale a été supérieure à 60 000 \$ durant l'année civile. Les employés dont le salaire est inférieur à ce seuil ne sont pas présentés. Le traitement présenté comprend le salaire fixe, les heures supplémentaires, les contrats de service personnels et toute autre rétribution, à l'exception de l'allocation de retraite ou forfaits de départ.

ALLOCATIONS DE RETRAITE / INDEMNITÉS DE CESSATION D'EMPLOI

Cette liste montre les employés qui ont reçu des allocations de retraite ou indemnités de cessation d'emploi supérieures à 10 000 \$ durant l'année civile, par tranches débutant à 10 000 \$. Les employés qui ont reçu des paiements inférieurs à ce seuil ne sont pas présentés.

La liste des allocations de retraite et des indemnités de cessation d'emploi comprend les paiements tenant lieu d'allocation de retraite versés aux employés. Le cumul de crédits d'allocation de retraite offert au personnel de gestion et aux employés non syndiqués dont la date de début de service continu est antérieure au 1^{er} avril 2011 a été suspendu à partir du 31 mars 2013. Les employés admissibles ont dû choisir entre un paiement tenant lieu d'allocation de retraite et le report du paiement de leur allocation de retraite jusqu'à la date de la retraite.

Lorsque les indemnités de cessation d'emploi sont versées à un employé conformément à une entente contenant une clause de confidentialité, le montant n'est pas présenté.

PAIEMENTS AUX FINS DES FRAIS DE DÉPLACEMENT ET AUTRES DÉPENSES

Cette liste comprend les paiements dont le total s'élève à 12 000 \$ ou plus qui ont été versés aux employés pour rembourser des frais de déplacement et autres dépenses. Les employés sont présentés avec le montant réel versé des dépenses (plutôt que par fourchette). Les montants versés aux employés qui sont inférieurs au seuil de 12 000 \$ ne sont pas présentés, à l'exception des montants versés aux ministres, qui sont présentés peu importe le montant. Dans le cas des ministres et des sous-ministres qui ont occupé plus d'un poste durant l'année, le total des montants de leurs dépenses est affiché sous le dernier ministère dont ils étaient chargés, et le montant payé sous le ministère précédent est indiqué. Les allocations d'automobile versées sont présentées séparément, peu importe le montant.
